PUB HOUSE & EATERY

Christmas
ISN'T JUST A DAY,
IT'S A FRAME OF MIND

In the midst of the holiday rush, let's pause to savor the true essence of the season – the joy of shared moments with family and friends!

It's so easy to get entangled in the material aspects, worrying about the gifts under the tree rather than simply enjoying time spent with the loved ones gathered around it.

So, when your list seems longer than Santa's, and you're feeling the urge to snap the heads off that last batch of gingerbread men, call a friend and head to the pub! Our new Claus' Cabana cocktail is a holiday twist on a tropical fave and Santa's personal go-to when he needs a mini-break. Pair it with some housemade comfort food and great company and you'll be back in the right frame of mind in no time.

Happy Holidays, Friends!
